Community Profile

Name of the Barangay: **Barangay San Mateo**
City: San Pablo City
Division: City Schools Division of San Pablo
Region: IV-A CALABARZON

Barangay San Mateo is one of the 80 barangays of San Pablo City. It is the north easternmost barangay of the city and bounded by the municipality of Calauan, Laguna on north and Brgy. San Marcos on south. (https://en.wikipedia.org/wiki/San_Mateo,_San_Pablo).

The barangay can be reached from San Pablo City Proper –San Mateo Road by jeepneys, tricycle, and private vehicles. This brought the folks access and links to urban and commercial centers within the City and on neighboring places.

Its present Brgy. Chairman is Mr. Rodelo Arceo. His administration is assisted by 7 councilors and Sk Chairman Paul Niño Becina with 7 sk councilors. Barangay. The Barangay has a Barangay Hall, Tanod Outpost, Health Center, Day Care Centers, Multi-purpose covered courts, and a barangay chapel. It also has a police station and a water pump station ongoing construction within the vicinity of the school as stated in the Memorandum of Agreement between the DepEd, NAWASA and City Government.

On the economic aspect, the barangay proper has stores offering different services such as consumer goods, school supplies, medicines, fuels, foods and other related services. Several businesses around the area ranging from sari sari stores, agri-vets, and Recapping, lending, pawn shops, repair shops, market, beauty shops, barber shops, and other food chains in the area.

On religious aspect, Barangay San Mateo has one Parish Church wherein a regular mass on Sundays and Holidays is celebrated. Church leaders are active and back up by Christian Youth Organization. However, other Christian denomination churches are also present.

Family Income and Occupation

Farmers, laborers, contractors, entrepreneurs, employees, and planting are the major occupation of the head of the family earning in the range of Php 2,500 to Php 7,500 a month.

Education

Majority of the residents reached Elementary level. Some graduated from vocational courses. Few were enrolled in Bachelor Courses.

Labor Segmentation

The labor force of the Barangay focuses on being a Laborer or Worker.

From the above community background, this ESIP aims to improve the educational services of San Mateo Elementary School in order to be the answer to the learners' need for them to have a productive life which could improve the economic condition of the place.

HISTORY OF SAN MATEO ELEMENTARY SCHOOL

San Mateo Elementary School was established in 1952 in a parcel of residential land in Brgy. San Mateo, San Pablo City. It has an area of 2 900 square meters. It was donated by Mr. Nicasio B. Tolentino made last January 31st 1991 with the City Government of San Pablo, City, Laguna represented by its Mayor Zacarias A. Tizon. The school has Gonzales Type building with two rooms at the first time of establishment.

In 1967, Marcos Type Building with three rooms was constructed as additional. Another building named RP-US with three rooms was built in the late 80's. The school covered court was constructed through the help of Congressman Florante "Boy" Aquino in March 1992. In November 1994, Amante Building with two rooms was added through the effort of the Parent-Teacher Community Association (PTCA). The school gate and fence were concreted for the security and protection of every stakeholder.

It was July 2014 when Typhoon Glenda hit the school and destructed the Gonzales and RP- US Building. The first was totally condemned and replaced by Mayor Loreto S. Amante Building under the Special Education Fund. In 2018, the RP -US Building was replaced by a three-storey building under DPWH and will be used this SY 2019-2020. Through the collaborative efforts, it was made possible which led the way of delivering better services to school aged children in the community.

There are thirteen (13) classrooms comprising of a two-storey six-classroom, one (1) 2 storey – 2 classroom in Amante 1 Building and a (3) -classrooms in Marcos Type Building and (2) classrooms in Amante 2 Building . Its construction became possible through the efforts of Mayor Loreto S. Amante, DPWH and Department Of Education.

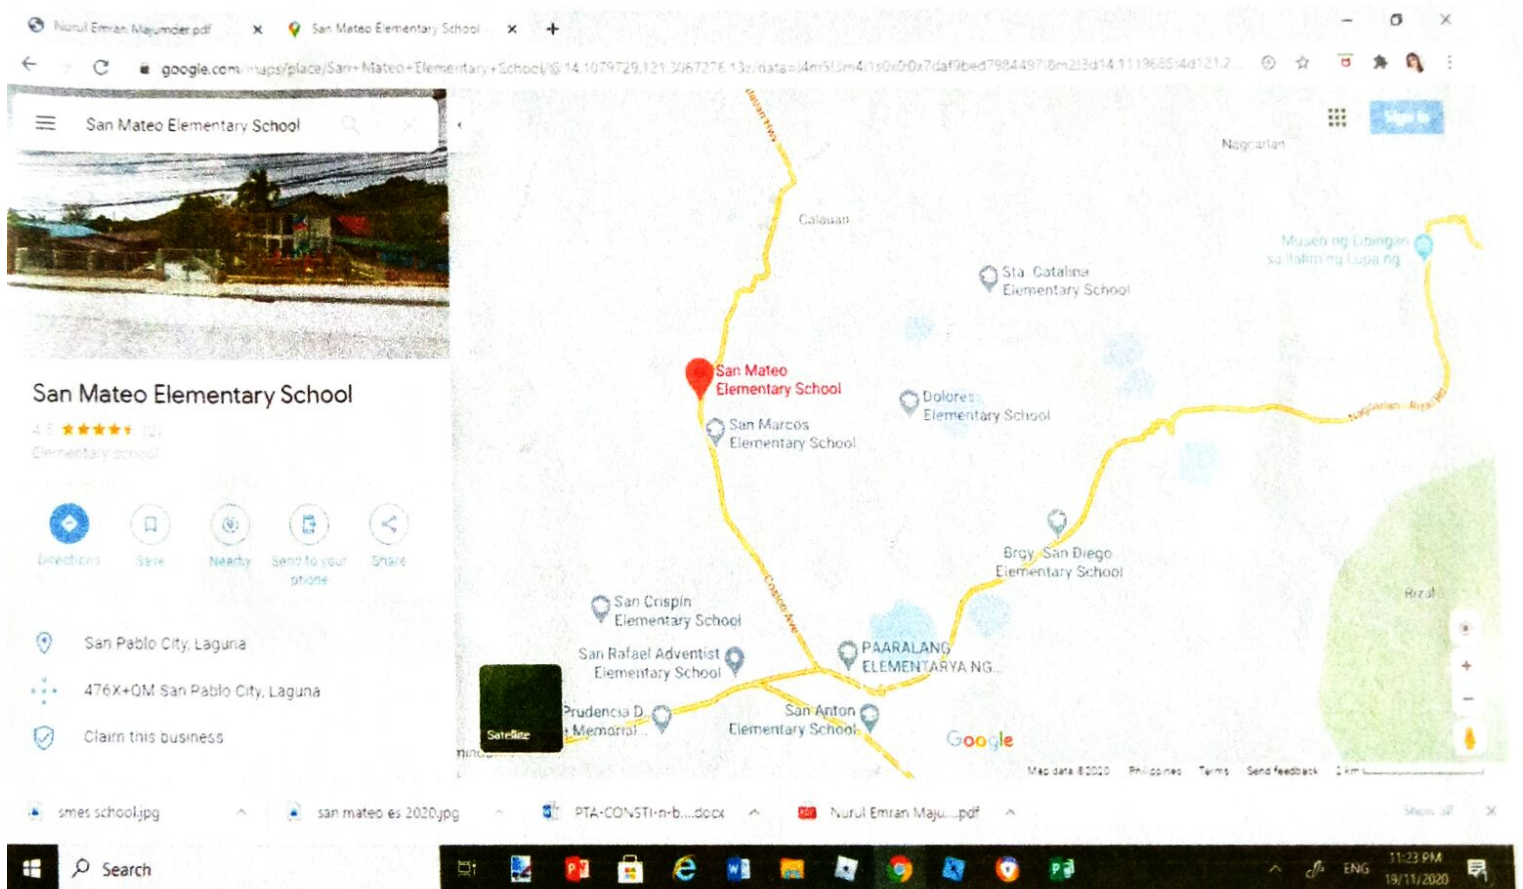

The school has one computer laboratory with six (6) personal computer units for general use, an internet connection, a science laboratory, and a library to be organized and

established by the present administration headed by the school head, Lady Lourence S. Alimagno.

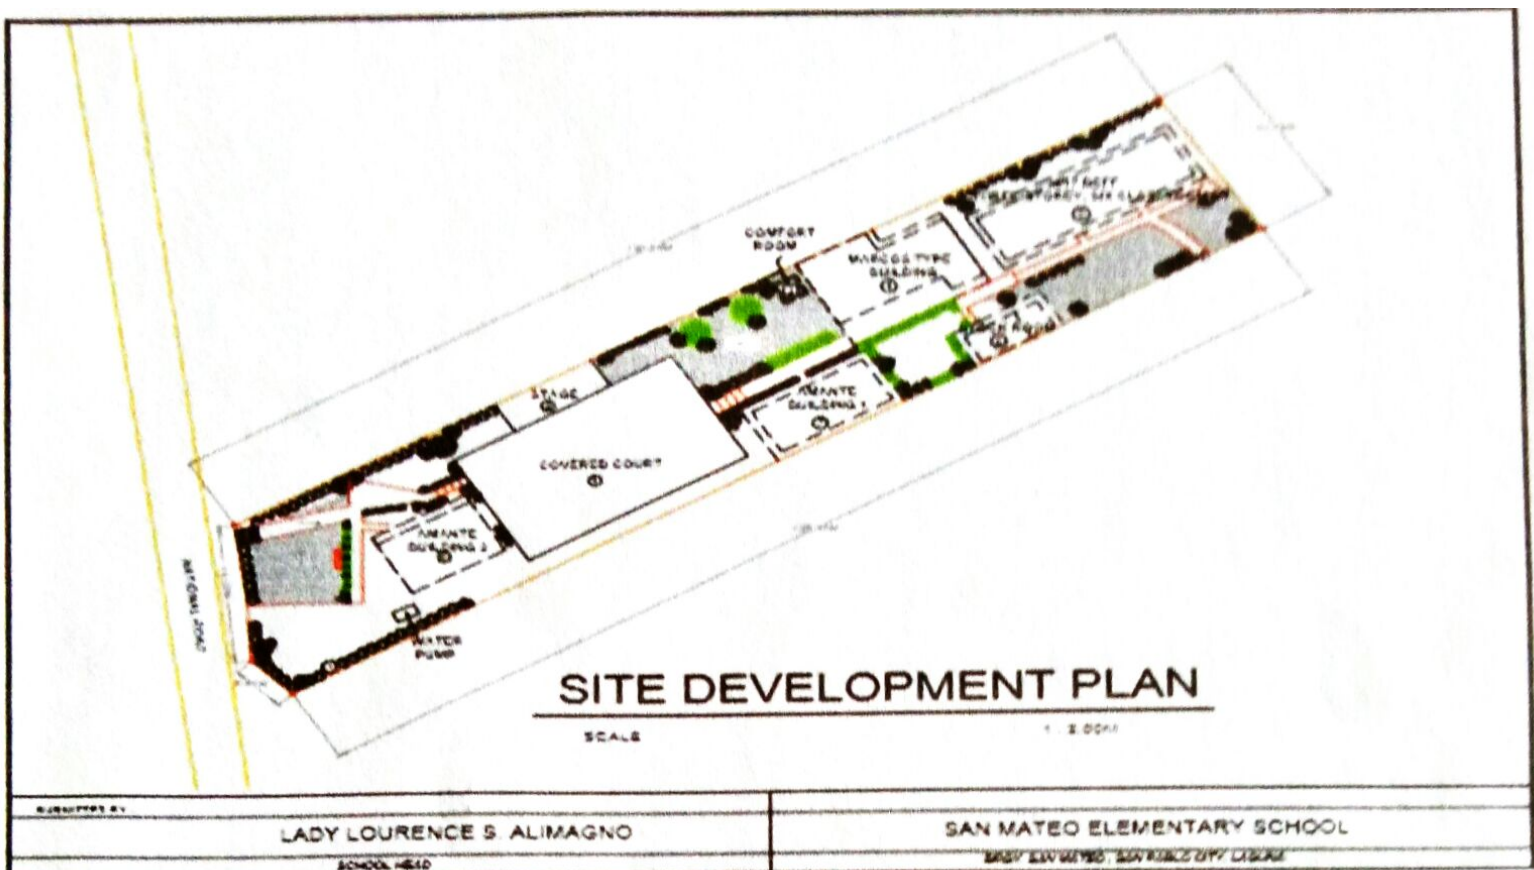

With a highly qualified teaching staff of eight (8) professionals coming from the DepEd and supportive Stakeholders, Brgy. Chairman Rodelo Arceo and Officials, and with its PTA President Albert Alemania and Officers at the helm, the school's dream, mission, and vision embodied to produce twenty first century learners, who are equipped, more competent, and a lifelong learners may soon be realized.
